

**Sudbury Little League – Challenger Division invites you to *Play Ball!***

***The Sudbury Red Sox team is now in our 6<sup>th</sup> year! We are looking for both players and "buddies"/volunteers. If interested please contact Carole Ann Baer at [caroleannbaer@comcast.net](mailto:caroleannbaer@comcast.net)***

The Challenger Division is designed to provide children with disabilities who are ages 6-22 with the opportunity to play baseball in a comfortable and caring environment. Games are played in a relaxed fashion and players will have "buddies" assisting them if they so desire.

**Games will be played every Sunday from April 18th to June 13th from 2:30 to 4:00 p.m. at Upper Featherland Field on Concord Road in Sudbury. There will be no games on Mother's Day, May 5th.**

Please feel free to come and watch a game to see if your child would benefit from participating in our program. Our goal is to provide the children with a chance to experience the joy and camaraderie that the game of baseball can bring and we hope to see as many families as possible join our team.

We hope that the Challenger Division of Sudbury Little League will continue to grow and provide children from all over the area the chance to play baseball for years to come. If you have any questions about the program, please feel free to contact either of us. We look forward to seeing you at the ballpark this spring!
